

EnergyNet to Host First Online Cabin Site Lease Offering for State of Montana

May 2, 2023: *For Immediate Release*

The State of Montana's Department of Natural Resources & Conservation (DNRC) has retained EnergyNet to host its June 2023 Cabin Site Lease Offering.

Auction dates:

- Now LIVE on the EnergyNet Platform
- Final day to submit bids with EnergyNet – Tuesday, June 15, 2023

Included in this offering are ten lakefront, 15-year Cabin Site Leases in Flathead County, Montana. The Montana Broker of record is NAI Business Properties, Real Estate License Number RRE-BRO-LIC-88041.

This offering and many other offerings are held on EnergyNet throughout the year. For up-to-date listings visit http://www.energynet.com/govt_listing.pl.

About Montana State Trust Lands:

The Trust Lands Management Division of the Montana Department of Natural Resources & Conservation manages 5.2 million acres of state trust land. Through programs including sustainable forestry, agriculture, grazing, and energy leasing, the land generates millions of dollars annually for K-12 public education, including school facilities and classroom technology. Montana's Trust Lands are a vital component of local economies and provide recreation opportunities for hunters, anglers, hikers, and horseback riders.

About EnergyNet:

EnergyNet offers easy-to-use multicommodity auction and sealed bid transaction services to public and private companies, individuals, government agencies, bank trust departments, foundations, churches, and universities. EnergyNet has more than 20 years of experience conducting efficient online oil, gas, and other commodity auctions. Since 2011, the Government Resources Department has successfully sold over \$3B for 25 different government agencies.
